

Holley Nethercote Commercial Lawyers - Fact Sheet

- Established in 1995 by Grant Holley and Tim Nethercote, *Holley Nethercote Commercial Lawyers* is a commercial law firm situated in Melbourne's CBD with a particular focus on the financial services industry.
- We provide business law services to financial services providers, government regulators, and other medium and large sized entities.
- We provide expert and practical commercial law services in the areas of:
 - Financial services law, licensing and related issues
 - Anti-Money Laundering
 - Debt recovery
 - Intellectual property
 - Employment law for employers
 - Insolvency
 - Contracts
 - Litigation and commercial dispute resolution
 - Trade practices
 - Privacy
 - Franchising
 - Copyright
 - Trade marks
 - Leases
 - Other general business legal matters
- In conjunction with our associated business *Compact-Compliance & Corporate Training* (www.compliance-training.com.au), we have helped a vast array of businesses obtain and vary Australian Financial Services (AFS) licences, including start-up companies, ex-authorised representatives, and multi-national companies entering the Australian market.
- We also offer expert advice in matters relating to AFS licence holders, including conducting AFS licensee reviews and providing legal creation or revision of financial services legal documentation.
